

**Corrigendum: website moved**

The URL for the algal biodiversity website cited in Lobban & N'Yeurt (2006, pp. 73, 74 and 96) has been changed from <http://www.uog.edu/classes/botany/474/> to <http://university.uog.edu/botany/474/>. The specific URL mentioned on page 101 under *Enteromorpha* was also misprinted; the correct URL for that page is: <http://university.uog.edu/botany/474/chloro/ulva.html>.
