

CORRECTION

McConnell, J. & R. Muniappan. 1991. Ant damage to dendrobium flowers. vol. 24(1): 159–160.

The following plate caption should have been printed on page 160:

McConnell & Muniappan—Plate I. Fig. 1. Spotting and distortion of sepals and petals. Fig. 2. Ant (*Pheidole* sp.) on developing raceme. Fig. 3. Ant damage to flower bud.

The text references to the figures (p. 159) should read, in order: (Fig. 3), (Fig. 1), (Fig. 2).

PALAU/BELAU

Since the Federated States of Micronesia became independent, we have been using the new spellings Chuuk and Pohnpei. We understand, however, that the spelling *Belau* is intended for use only in the Palauan language; in English the spelling *Palau* should be retained.
